

## EXAM FEEDBACK FORM

Use this form to describe in detail the specific feedback of GSMR Certification Exam. Include your contact information, ID number, name of the exam, the date you took the exam, location of the testing center and the type of feedback.

Feedback on the exam application process, testing experience, or any aspect of the certification program can be directed to the GSMR Certification Administrator. Concerns regarding impartiality, fairness, or discrimination will be carefully reviewed.

The submission should present adequate objective evidence to support the claims, enabling a decision to be reached and the necessary actions to be implemented. Complaints founded purely on hearsay will not qualify as valid feedback. All feedback will be assessed and addressed by GSMR at its sole discretion.

Within **three calendar days** of taking the exam, submit the written form by e-mail to [certification@gsmrgulf.org](mailto:certification@gsmrgulf.org) with "**MARC Program Feedback Form**" in the subject line.

You will be notified via email upon the receipt of your submission. At that point, you will either be informed of the evaluation outcome or, if additional time is required, provided with an estimated timeframe for the decision.
